

Scrappage Scheme | The Facts

Our aim at Stevens is to make the whole scrappage scheme as simple as possible, We're here to help you with the process and to ensure you get the best possible deal on your next vehicle too.

Act Quickly!

This is a very limited opportunity. The Government has restricted funding available until March 2010. ACT NOW, don't miss out!

Who Qualifies?

Your current vehicle must be first registered in the UK on or before July 31st 1999. It must be a car or small van weighing up to 3,500 kilos, either be registered, or have a sorn declaration with the DVLA in your name. It must have been registered to you continuously for 12 months before the order date of the vehicle, have a UK address on the registration certificate and have a current MOT certificate before date of order on the new vehicle.

How Much Will I Get?

You will receive £2,000 discount deducted from the price you pay for the new vehicle which will be shown on your invoice when you take delivery of your new vehicle.

What Happens To My Vehicle?

When we have established eligibility, your vehicle will be scrapped by a registered ELV (End Of Life) treatment facility and a certificate will be issued enabling you to proceed with your purchase. We will handle all of this for you.

What Can I Buy?

A car or small van weighing up to 3,500 kilos, first registered in the UK on or after mid May 2009, declared new at first registration with no former keepers.

WHY BUY NOW?

VAT has been cut to 15% until December 2009

Used car values up due to demand

Interest rates are at an all time low

Loan rates are at their most affordable

Immediate funding available (no credit squeeze here)

Many new vehicles attract road tax from only £35, whilst some are completely exempt

Many new models offer massive fuel savings in comparison to older vehicles

DON'T FORGET... If you don't act quickly... YOU COULD MISS OUT
